

# Thank You for Renting Our Au Sable River Cabin

The Au Sable River is designated as a Michigan Natural River system from its upper reaches to the Mio Dam including all tributaries. It is shared by many recreational users. As our guest we would like to suggest that you be considerate to other users while you enjoy our riverfront access and the river as you swim, fish, canoe or kayak.

## River Etiquette

### Show respect for others ...

- Share the river with all users
- Leave the speakers behind
  - enjoy the peace and quiet
- Allow room at road-end for trailer turn around

### Leave nature as you find it ...

- Carry out everything you brought in
  - take out only memories

### Respect private property ...

- Stop only at public landings
  - camp only where permitted
- Use only designated sanitary facilities

### Be a sober river user ...

- Use alcohol responsibly

*Respect, Protect, and Enjoy the River*

The Au Sable River Property Owners Association\* (ARPOA) would also like to welcome you to the Au Sable River. As you enjoy the river you may notice our sign posted below and at access sites along the river. During your visit we request that you respect other users by following the suggestions on our River Etiquette Sign.
